## THE GREAT OUTDOORS

### The Beach!

At the turn of the century, wealthy men and women, including John D. Rockefeller, Sr., came to Ormond Beach for a winter climate full of sunshine and balmy temperatures.

In 1903, young men and racing machines arrived as well. Ormond Beach became the "Birthplace of Speed" and gained worldwide fame by attracting daring drivers who chased speed records on its wide, hard-packed, sandy beach.

Today, our beach still welcomes people from across the nation and around the world. The race cars have moved

on, leaving only the roar of the ocean and miles of welcoming sand. Swim, stroll and sunbathe on the beach or enjoy our oceanfront parks with amenities that add to the comfort and enjoyment of the Ormond Beach experience.

## Tee Time

If you are a golfer, welcome to paradise. Ormond Beach and the surrounding Greater Daytona Beach Area offer scenic and challenging private, semi-private and public courses. Most courses will lock in tee times in advance and all have great amenities.

*LPGA International*

If you are staying in a hotel, ask the front desk for available discount coupons, vouchers, or packages for any of the local golf courses. Ormond Beach loves golf groups of all sizes! Area hotel sales staff can help you build a great golf getaway for you and your golfing buddies.

*Halifax Plantation*

## The Ormond Beach Scenic Loop Ride

Whether you drive or bike, this thirty-mile, double-looped road takes you through the most beautiful and diverse natural scenery in Northeast Florida.

Take advantage of the unique opportunity to visit three Old Florida environments and observe varied plant and animal species along the beach, such as the endangered Florida Scrub Jay and nesting sea turtles. Catch sight of a dolphin or get a chance to see northern right and humpback whales offshore during migration seasons.

With ready access to the beach, four state and six local public parks, riders can catch unobstructed views of two rivers, creeks and marshes, barrier island dunes, the beach and even historic dwellings. There are also museums, historic public buildings and private homes along the legs of The Loop.

Recreational opportunities are plentiful, with many parks and trails offering fishing, boating, hiking, swimming, bicycling, beach walking and much more. With all it has to offer, this byway is truly a national treasure.

Visit [www.ormondscenicloopandtrail.com](http://www.ormondscenicloopandtrail.com).

Welcome to the City of Ormond Beach, on Central Florida's magnificent east coast. For more than 120 years, Ormond Beach has been known as an outstanding place to live, work and invest. Today, Ormond Beach is home to 40,000 residents who value the miles of pristine rivers, forests and beaches that make us unique.

Located near the crossroads of Central Florida's High Tech Corridor — I-95 and I-4 — Ormond Beach has its own municipal airport and is also served by Daytona Beach International Airport, Orlando International Airport, Orlando Sanford International Airport and Jacksonville International Airport. Deepwater ports in Jacksonville and Port Canaveral are convenient for businesses shipping products globally. Rail service via Florida East Coast Railway makes Ormond Beach even more accessible.

Ormond Beach offers several light industrial and office parks including the Ormond Beach Airport Business Park & Airpark. Ormond Crossings, a master-planned multifaceted community at the north end of the city, promises to become a major commerce center and a handsome port of entry to Volusia County.

Ormond Beach has become known as Central Florida's Preferred Business Address for its remarkable quality of life and its healthy business climate. Dozens of companies headquartered in Ormond Beach produce products known the world over for quality and reliability.

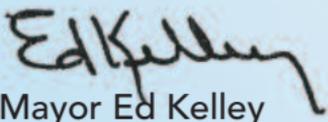

# ess is good.

These companies are able to compete in global markets with the support of a pro-business city government, a strong labor force, outstanding transportation, timely and efficient training, outstanding public and private schools, and great hospitals and medical facilities.

It has been a pleasure to provide you with this tourism guide to Ormond Beach. The city welcomes you during your visit to the area and we thank you for staying with us in our wonderful "Sparkling City by the Sea!"

Sincerely,

Mayor Ed Kelley
