Demolition Description/
Building Type: []

Please attach: a warranty deed, asbestos abatement, septic tank removal letter, structural shoring plan (if applicable), depiction of proposed tree protection measures, method of pedestrian protection (if applicable), and affidavit from a pest control agency stating that rodent abatement has been completed.

A site visit is required prior to permit issuance/approval.

***Any building constructed prior to January 1, 1950 will also need approval from the City of Ormond Beach Planning Department (676-3238).**

It is the responsibility of the demolition contractor to notify the Public Utilities Division (676-3220), Florida Power & Light (254-2322), Bell South (257-7923) & Cable/Gas Company for proper disconnection of service utilities.

It is understood and agreed by the undersigned that the approval of this application does not constitute a privilege to violate the Florida Building code, the City of Ormond Beach Land Development Code, other Ordinances of the City and any State or Federal Laws. Any omission of, or misrepresentation of, fact with or without intention of the undersigned, or any alteration or change from this application without the approval of the Building Official shall constitute sufficient ground for the revocation of the Demolition Permit.

It is the owner's or operator's responsibility to comply with the provisions of S, 469.003 and to notify the Department of Environmental Protection of his intentions to remove asbestos, when applicable, in accordance with State and Federal Law.
