AVIATION ADVISORY BOARD
REGULAR MEETING**

April 1, 2013

7:00 p.m.

**City Hall Training Room
22 South Beach Street
Ormond Beach, Florida**

I. Roll Call

The meeting was called to order at 7:00 p.m. Bob Behnke, Bruce Manne, and Larry Stout were present. Sam Hamilton and Larry Volenec were absent. Staff members present were Steven Lichliter, Airport Manager and Terri Hamsher, Recording Secretary.

II. Approval of Minutes

Dr. Manne moved and Mr. Behnke seconded approval of the February 28, 2013, minutes. The motion passed unanimously.

III. Noise Issues

Mr. Lichliter shared with the board that since runway 8/26 was open he received one noise complaint from a gentleman in Tomoka Estates who indicated that 75% of the pilots were not following procedures. He has reminded the flight schools of the proper flight patterns.

IV. Projects Updates

Mr. Lichliter provided an update on the Taxiway Alpha, compass rose, Taxiway Charlie tie-ins, and heliport projects. He mentioned that Taxiway G is a bundled project, which would include construction of Taxiway G and electrical upgrades. He mentioned that additional paving work near the tower, additional ramp space next to Delta and an access road to FBO area 1 were considered low priority by the FAA, and would have a negative impact on the higher priority projects, so they would not be done at this time. He provided details on the security project, and that there was one phase remaining on this project. He added that he would discuss with FDOT an upgrade to the tower control systems in case the tower was not closed and provided information on the project.

Mr. Lichliter updated the board on the appraisals at the airport and that the tenants were exercising their option to have their own appraisal conducted.

V. ATC Tower Updates

Mr. Lichliter provided details on the tower sequestration and what action the City has taken regarding the sequestration.

A discussion ensued.
