

**MINUTES
ORMOND BEACH CITY COMMISSION
HELD AT CITY HALL COMMISSION CHAMBERS**

October 20, 2015

7:00 p.m.

Commission Chambers

Present were: Mayor Ed Kelley, Commissioners James Stowers, Troy Kent, Rick Boehm and Bill Partington, City Manager Joyce Shanahan, City Attorney Randy Hayes, and City Clerk Scott McKee.

A G E N D A

- 1. CALL TO ORDER**
- 2. INVOCATION**
- 3. PLEDGE OF ALLEGIANCE**
- 4. AUDIENCE REMARKS - REGARDING ITEMS NOT ON THE AGENDA**
- 5. APPROVAL OF MINUTES**

A. Minutes from City Commission meeting - October 6, 2015

6. CONSENT AGENDA

The action proposed is stated for each item on the Consent Agenda. Unless a City Commissioner removes an item from the Consent Agenda, no discussion on individual items will occur and a single motion will approve all items.

- A. **RESOLUTION NO. 2015-201** : A RESOLUTION AUTHORIZING THE EXECUTION OF A COMMUNITY AESTHETIC FEATURE AGREEMENT BETWEEN THE CITY AND THE FLORIDA DEPARTMENT OF TRANSPORTATION REGARDING THE INSTALLATION OF CITY WELCOME SIGNS AT FIVE LOCATIONS WITHIN FLORIDA DEPARTMENT OF TRANSPORTATION RIGHTOF- WAY; AND SETTING FORTH AN EFFECTIVE DATE.

Staff Contact: John Noble, City Engineer (386-676-3269)

- B. **RESOLUTION NO. 2015-202** : A RESOLUTION ACCEPTING A BID FROM MCG SERVICES, LLC, REGARDING THE INSTALLATION OF SIDEWALKS AT NOVA COMMUNITY PARK AS PART OF THE LOOP TRAIL PROJECT, UNDER BID NO. 2015-41; AUTHORIZING THE EXECUTION OF A CONTRACT AND PAYMENT THEREFOR; REJECTING ALL OTHER BIDS; AND SETTING FORTH AN EFFECTIVE DATE.

Staff Contact: John Noble, City Engineer (386-676-3269)

- C. **Bid Specifications for New Britain Roadway & Drainage Improvements – Phase I**

Staff Contact: John Noble, City Engineer (386-676-3269)

Disposition: Approve as recommended in the City Manager memorandum dated October 20, 2015.

- D. **Sungard HTE Maintenance**

Staff Contact: Ned Huhta, IT Manager (386-615-7031)

Disposition: Approve as recommended in the City Manager memorandum dated October 20, 2015.

- E. **Auto-renew OB Youth Baseball Softball Association agreement**

Staff Contact: Robert Carolin, Leisure Services Director (386-676-3279)

Disposition: Approve as recommended in the City Manager memorandum dated October 20, 2015.

F. Auto Renewal Contract OB Historical Trust, Inc.

Staff Contact: Robert Carolin, Leisure Services Director (386-676-3279)

Disposition: Approve as recommended in the City Manager memorandum dated October 20, 2015.

G. Request from Museum of FI History to Borrow Stanley Steamer Rocket

Staff Contact: Robert Carolin, Leisure Services Director (386-676-3279)

Disposition: Approve as recommended in the City Manager memorandum dated October 20, 2015.

7. PUBLIC HEARINGS

- A. ORDINANCE NO. 2015-45 :** AN ORDINANCE AMENDING THE FUTURE LAND USE ELEMENT OF THE COMPREHENSIVE PLAN BY AMENDING THE FUTURE LAND USE MAP TO CHANGE THE DESIGNATION OF A 1.21±-ACRE PORTION OF ONE (1) PARCEL OF REAL PROPERTY TOTALING 2.57±-ACRES LOCATED AT 4 NORTH PERROTT DRIVE, AMENDING FROM "GENERAL COMMERCIAL" TO "LIGHT INDUSTRIAL/UTILITIES"; PROVIDING FOR CONFLICT; AUTHORIZING TRANSMITTAL; AND SETTING FORTH AN EFFECTIVE DATE. **(SECOND READING)**

Staff Contact: Ric Goss, Planning Director (386-676-3238)

- B. ORDINANCE NO. 2015-46 :** AN ORDINANCE AMENDING CHAPTER 2, DISTRICT AND GENERAL REGULATIONS; ARTICLE II, DISTRICT REGULATIONS, SECTION 2-35 PLANNED RESIDENTIAL DEVELOPMENT, OF THE CITY OF ORMOND BEACH LAND DEVELOPMENT CODE; BY CREATING A NEW SUBPARAGRAPH PROVIDING A PROCEDURE FOR DETERMINING HOLDING CAPACITY DENSITY OF A PROPOSED DEVELOPMENT SITE; REPEALING ALL INCONSISTENT ORDINANCES OR PARTS THEREOF; PROVIDING FOR SEVERABILITY; AND SETTING FORTH AN EFFECTIVE DATE.

Staff Contact: Ric Goss, Planning Director (386-676-3238)

- C. ORDINANCE NO. 2015-47 :** AN ORDINANCE AMENDING CHAPTER 1, GENERAL ADMINISTRATION OF ARTICLE III, DEFINITIONS AND ACRONYMS, SECTION 1-22, TO AMEND THE DEFINITION OF ELECTRONIC CHANGEABLE COPY SIGN; AND AMENDING CHAPTER 3, PERFORMANCE STANDARDS, OF ARTICLE IV, SIGN REGULATIONS, OF THE CITY OF ORMOND BEACH LAND DEVELOPMENT CODE, BY CREATING A NEW SUBSECTION 3-47.F, TO BE NAMED ELECTRONIC CHANGEABLE COPY SIGNS; REPEALING ALL INCONSISTENT ORDINANCES OR PARTS THEREOF; PROVIDING FOR SEVERABILITY; AND SETTING FORTH AN EFFECTIVE DATE.

Staff Contact: Ric Goss, Planning Director (386-676-3238)

8. STAFF ACTION ITEMS

- A. Appoint Voting Delegate and Alternate for National League of Cities (NLC) Annual Business Meeting**

Staff Contact: Scott McKee, City Clerk (386-676-3340)

9. REPORTS, SUGGESTIONS, REQUESTS

10. ADJOURNMENT

Item #1 – Meeting Call to Order

Mayor Kelley called the meeting to order at 7:00 p.m.

Item #2 – Invocation

Reverend Willie Branch gave the invocation.

Item #3 – Pledge of Allegiance

Mayor Kelley led the Pledge of Allegiance.

Item #4 – Audience Remarks

Mr. Jim Schultz, 117 Harvard Drive, stated that he wanted to speak about breast cancer awareness. He stated that Dr. Mercola, a local doctor, wrote another article about it and held a meeting at Love's Health Foods about GMOs (genetically modified organisms). He noted that Dr. Mercola had stated that one of the worst toxins for breast cancer was something that was put on most of our foods. He stated that most of the world was aware of this as was the United States because the World Health Organization rated glyphosate toxic. He noted that glyphosate was put on the great majority of GMOs. He stated that even if a GMO was safe, it was no longer safe when loaded with toxic carcinogens such as Round-Up Weed Killer. He stated that Monsanto and the grocery manufacturers were paying for bills to be introduced on their behalf. He noted that there were more lobbyists than congressmen just for pharmaceutical, much less other things. He stated that the whole breast cancer awareness issue was a public relations program started by Empirical Chemical Industries. He noted that you could not always believe what you heard and encouraged reading and researching information. He stated that known carcinogens should be avoided and noted that the federal government had not acknowledged that should be done but stated that European countries were banning glyphosate. He noted that the city probably also uses it.

Item #5A – Approval of Minutes

Mayor Kelley advised that the minutes of the October 6, 2015, regular meeting had been sent to the Commission for review and were posted on the city's website for public viewing. He asked for any corrections, additions, or omissions. He stated that hearing no corrections, the minutes would stand approved as presented.

Item #6– Consent Agenda

Mayor Kelley advised that the actions proposed for the items on the Consent Agenda were so stated on the agenda. He asked if any member of the Commission had questions or wished to discuss any items separately.

Commissioner Boehm requested to pull item 6G, explaining that two audience members in attendance wished to speak on it.

Mayor Kelley noted that those individuals supported the item. He asked Commissioner Boehm if he would be comfortable with the item not being pulled, so that it did not have to be voted on separately, if he still provided those individuals their opportunity to comment on it once they voted on the Consent Agenda.

Commissioner Boehm replied that would be fine as his concern was that they get their opportunity to speak.

Commissioner Kent moved, seconded by Commissioner Partington, for approval of the Consent Agenda.

Call Vote:	Commissioner Stowers	Yes
	Commissioner Kent	Yes
	Commissioner Boehm	Yes
	Commissioner Partington	Yes
Carried.	Mayor Kelley	Yes

Item #6G – Request from FL History Museum to borrow Stanley Steamer Rocket

Ms. Suzanne Heddy, Executive Director, Ormond Beach Historical Society, 300 S. Orchard Street, stated that she wanted to make sure it was understood how important the exhibit was and how much notoriety the city would receive from it. She explained that the exhibit was about racing through the state of Florida, and the exhibit would be at the Florida Museum of History, which was located right behind the Capitol Building in Tallahassee. She noted that the rocket would be the centerpiece of the whole exhibit. She stated that Leisure Services Director Robert Carolin was able to negotiate a deal with the speedway to take the rocket and put it back into the speedway. She explained that a concern they had was whether it would be returned to the speedway once it was removed. She noted that the new motor sports hall of fame would keep the rocket and its Ormond Garage display.

Mr. Dan Smith, Ormond Beach Historical Society, 9 Sunset Boulevard, stated that Ormond Beach would be represented by the rocket, Sebring would be represented by an open wheeler, the speedway would be sending a #24 Jeff Gordon car, and Gainesville would bring a Gator Nationals car. He noted that Tampa might also add a road racer. He stated that it would be a positive light shining on the city.

Mayor Kelley stated that he thought that it was great that they were able to work out using the rocket for the exhibit. He noted that it would give the city a lot of publicity as the home of the birthplace of speed. He thanked the Ormond Beach Historical Society.

Item #7 – Public Hearings

Mayor Kelley opened the public hearings.

Item #7A – 4 North Perrott Drive Future Land Use Map Amendment

City Clerk Scott McKee read by title only:

ORDINANCE NO. 2015-45
AN ORDINANCE AMENDING THE FUTURE LAND USE ELEMENT OF THE COMPREHENSIVE PLAN BY AMENDING THE FUTURE LAND USE MAP TO CHANGE THE DESIGNATION OF A 1.21±-ACRE PORTION OF ONE (1) PARCEL OF REAL PROPERTY TOTALING 2.57± ACRES LOCATED AT 4 NORTH PERROTT DRIVE, AMENDING FROM "GENERAL COMMERCIAL" TO "LIGHT INDUSTRIAL/UTILITIES"; PROVIDING FOR CONFLICT; AUTHORIZING TRANSMITTAL; AND SETTING FORTH AN EFFECTIVE DATE.

Commissioner Boehm moved, seconded by Commissioner Partington, for approval of Ordinance No. 2015-45, on second reading, as read by title only.

Call Vote:	Commissioner Kent	Yes
	Commissioner Boehm	Yes
	Commissioner Partington	Yes
	Commissioner Stowers	Yes
Carried.	Mayor Kelley	Yes

Item #7B – LDC Amendment: Holding Capacity Methodology

City Clerk Scott McKee read by title only:

ORDINANCE NO. 2015-46
AN ORDINANCE AMENDING CHAPTER 2, DISTRICT AND GENERAL REGULATIONS; ARTICLE II, DISTRICT REGULATIONS, SECTION 2-35 PLANNED RESIDENTIAL DEVELOPMENT, OF THE CITY OF ORMOND BEACH LAND DEVELOPMENT CODE; BY CREATING A NEW SUBPARAGRAPH PROVIDING A PROCEDURE FOR DETERMINING HOLDING CAPACITY DENSITY OF A PROPOSED DEVELOPMENT SITE; REPEALING ALL INCONSISTENT ORDINANCES OR PARTS THEREOF; PROVIDING FOR SEVERABILITY; AND SETTING FORTH AN EFFECTIVE DATE.

Mr. Ric Goss, Planning Director, stated that this was a city initiated amendment to the Land Development Code (LDC). He explained that in 2010 the City Commission directed

staff to remove the “how to” out of the Comprehensive Plan which was done to keep a policy-based plan. He noted that unfortunately everything was not put back into the implementing code. He stated that this was part of the implementation to determine density for the city for the Suburban Low Density Residential (SLDR) area west of Interstate 95. He noted that a Planned Residential Development (PRD) was required and this amendment laid out the process for a developer to determine density based upon the environmental constraints of their land. He stated that the Planning Board reviewed the amendment and recommended approval.

Commissioner Boehm moved, seconded by Commissioner Partington, for approval of Ordinance No. 2015-46, on first reading, as read by title only.

Call Vote:	Commissioner Boehm	Yes
	Commissioner Partington	Yes
	Commissioner Stowers	Yes
	Commissioner Kent	Yes
Carried.	Mayor Kelley	Yes

Item #7C – LDC Amendment – Electronic Changeable Copy Signage

City Clerk Scott McKee read by title only:

ORDINANCE NO. 2015-47
 AN ORDINANCE AMENDING CHAPTER 1, GENERAL ADMINISTRATION OF ARTICLE III, DEFINITIONS AND ACRONYMS, SECTION 1-22, TO AMEND THE DEFINITION OF ELECTRONIC CHANGEABLE COPY SIGN; AND AMENDING CHAPTER 3, PERFORMANCE STANDARDS, OF ARTICLE IV, SIGN REGULATIONS, OF THE CITY OF ORMOND BEACH LAND DEVELOPMENT CODE, BY CREATING A NEW SUBSECTION 3-47.F, TO BE NAMED ELECTRONIC CHANGEABLE COPY SIGNS; REPEALING ALL INCONSISTENT ORDINANCES OR PARTS THEREOF; PROVIDING FOR SEVERABILITY; AND SETTING FORTH AN EFFECTIVE DATE.

Mr. Goss stated that when the land use and zoning was given to Destination Daytona, based on the Interlocal Service Boundary Agreement (ISBA) they were given a Planned Business Development (PBD) to recognize their development order from Volusia County. He stated that in the county they were allowed to have an electronic message board, but in Ormond Beach there were no provisions for an electronic message board. He explained that there was no way to do that as they could not introduce into a PBD a use which was not permitted. He stated that the code had to be amended to allow such a use. He explained that this amendment had been carved in such a way to only apply to one area. He noted that some of those conditions were 100 acres and being located between US1 and Interstate 95 as well as being an entertainment use. He stated that there was already an electronic message sign located on US1. He noted that the criteria were provided by the applicant. He stated that anytime they wanted another sign they would have to go through a PBD amendment process.

Mr. Goss noted that the electronic sign was limited to that area only and as such there was no need to worry about them being located elsewhere on US1. He stated that the display area was limited to 60% of the total sign face area, and it had to be at least 300 feet from a residential area, noting that this particular sign was actually located 500 feet away with a natural buffer. He stated that there were a number of operational standards provided including that the sign could not change more than every two minutes. He stated that the Planning Board had a lot of discussion on the item, but in the end they voted unanimously in favor. He noted that staff also recommended approval.

Commissioner Kent noted that Mr. Goss had stated that this was only allowed in a specific area. He stated that it would not stop other businesses from other areas from coming forward to talk to the Commission about having such a sign and pointing out it was allowed in this location.

Mr. Goss stated that it was a policy decision and that any applicant would need to come to the city to request it be added. He noted that it was carved in such a way where there was no other area in Ormond Beach with enough acreage in that area, which had an entertainment venue and was designed to have those types of signs. He stated that if the Commission was persuaded to allow it elsewhere, it could be done, but he noted that the Commission was the determining body.

Mayor Kelley stated that it could happen regardless if they approved this amendment or not.

Mr. Goss stated that an amendment could be submitted at any time. He again noted that the Commission was the ultimate deciding authority.

Commissioner Boehm stated that there was a grandfathered in electronic sign located at Nova Road and Granada Boulevard for years. He noted that they had not been asked to approve others because of it. He stated that he did not believe that it would open a floodgate of people asking for it.

Mayor Kelley stated that even if it did the decision was the Commission's to make. He noted that the way it was carved out in the amendment, no one could say they were setting a precedent as it was very specific. He explained that he did not believe personally that it was setting a precedent.

Commissioner Stowers stated that his understanding was that the two-minute changing regulation came from what existed at the Trails Shopping Center; whereby, Mr. Goss stated that it came from the applicant.

Commissioner Stowers stated that he spoke to the City Manager earlier. He noted that two signs existed at the Trails Shopping Center and one would travel 0.7 miles per minute at 45 miles per hour there. He explained that this was located at Interstate 95, where speeds would be 70 to 75 miles per hour, at 1.25 miles per minute. He noted that at two minutes each change drivers would go two and a half miles. He stated that he thought that regulation was overkill. He stated that he would suggest that it changed every minute. He stated that cars would come and go and either not see it change or just see it change once. He noted that Interstate 95 was apples and oranges to local roads.

Mr. Goss stated that the Commission could make that change if they desired.

Commissioner Boehm asked if the applicant had an opinion about it; whereby, Mayor Kelley stated that he believed that he would love to have it at one minute and noted that he believed that was part of the discussion at the Planning Board.

Mr. Jim Morris, attorney for applicant, stated that the applicant would appreciate it being changed to a minute as opposed to two minutes. He noted that it was discussed at the Planning Board. He explained that in his discussion with staff this was one of the things they discussed. He stated that he relayed to the Planning Board that they would like more flexibility, but he did not want to betray negotiations with the staff. He noted that they would be agreeable with the change due to the time and speed distances that Commissioner Stowers mentioned. He stated that he would make an argument to change it, but if the Commission thought it should be changed they would not object. He noted that the discretion was certainly the Commission's to exercise.

Mayor Kelley stated that he agreed with Commissioner Stowers. He noted that they might not even see it change even at a minute when driving on the interstate.

Commissioner Stowers moved, seconded by Commissioner Boehm, to amend Ordinance No. 2015-47, by altering Section Two, F. Electronic Changeable Copy Signs, 3. General Regulations, f., from every two minutes to every (one) minute.

Call Vote:	Commissioner Partington	No
	Commissioner Stowers	Yes
	Commissioner Kent	No
	Commissioner Boehm	Yes
Carried.	Mayor Kelley	Yes

Commissioner Boehm moved, seconded by Commissioner Stowers, for approval of Ordinance No. 2015-47 as amended, on first reading, as read by title only.

Call Vote:	Commissioner Partington	Yes
	Commissioner Stowers	Yes
	Commissioner Kent	No
	Commissioner Boehm	Yes
Carried.	Mayor Kelley	Yes

Mayor Kelley closed the public hearing without objection.

Item #8A – Appoint Voting Delegate and Alternate for National League of Cities (NLC) Annual Business Meeting

Mayor Kelley suggested that Commissioner Partington serve as the voting delegate for the National League of Cities (NLC) conference.

Commissioner Partington stated that he would be glad to unless Commissioner Kent wanted to.

Commissioner Kent stated that Commissioner Partington would be great as the voting delegate and that he would be willing to serve as the alternate.

Mayor Kelley directed Ms. Shanahan to submit Commissioner Partington as the voting delegate and Commissioner Kent as the alternate.

Item #12 – Reports, Suggestions, Requests

Upcoming Meetings

Ms. Shanahan stated that the next City Commission meeting would be held on Monday, November 2, 2015, and noted that the meeting was changed from Tuesday to Monday due to travel conflicts for the NLC conference. She stated that the following meeting would be on Tuesday, November 17, 2015. She suggested scheduling the Brainstorming Session Workshop for December 1, 2015, prior to the City Commission meeting that evening. She confirmed with the Commission that this was acceptable and that 5:30 p.m. was the preferred start time.

Environmental Discovery Center

Ms. Shanahan stated that the walls were starting to take shape at the Environmental Discovery Center. She noted that staff would be coming to the Commission to get their opinion on colors for siding.

Rockefeller Revisited

Ms. Shanahan stated that Saturday, October 24, 2015, Rockefeller Revisited would be held from 6:00 p.m. to 9:00 p.m. at The Casements. She noted that tickets were \$5.00 and that the event was always popular.

Coffee with a Cop

Ms. Shanahan stated that the police had done a great job of interacting with the community. She stated that Coffee with a Cop would be held on October 28, 2015, at Peach Valley East.

Healthcare Costs

Commissioner Kent stated that the city recently had a 30% healthcare cost increase brought to them this year and they had to look at options which made many of them uncomfortable. He noted that the option they chose gave each employee \$1,350 for a health savings account to help offset increased healthcare costs and he gave Commissioner Boehm credit for coming up with that solution. He noted that he was just speaking for himself but he felt like he had failed the city employees. He apologized to them. He explained that he did not realize that those with family coverage would be hit with \$4,700 for the months of October, November and December. He stated that he was not happy about it and noted that it was during the holidays, also. He stated that the timing was poor and while the city did the best they could, he felt like he could have done more. He apologized again and noted that unfortunately there was not much that could be done about it now.

Family

Commissioner Kent stated that he was pleasantly surprised to see his parents sitting in the Commission Chambers. He stated that he loved his parents, thanked them for coming that evening, and stated that he appreciated them being great parents.

Florida Georgia Line

Commissioner Boehm stated that Florida Georgia Line, the country music duo that Mayor Kelley's son was a part of, would play in Daytona Beach next Memorial Day.

State of the City

Commissioner Boehm thanked the staff for their work on the State of the City presentation. He noted that each member of the Commission had something to say and as they spoke scenes behind them played. He explained that it was like actors shooting

on a green screen. He stated that the Commission did not get a preview and the first time they saw it was during the live presentation. He gave staff great credit for the presentation.

Main Street Celebration

Commissioner Boehm stated that the previous evening he and Commissioner Partington attended the 20th anniversary celebration of Ormond Beach Main Street. He stated that they continued to do marvelous work for the city.

CFOB Dinner

Commissioner Boehm stated that October 21, 2015, would be the annual dinner for Citizens for Ormond Beach (CFOB). He noted that the CFOB group had contributed significantly to the city.

Seabreeze Band Contribution

Commissioner Boehm stated that he received an email from a woman on the fundraising committee for the Seabreeze High School Band, who had been given an opportunity to perform at the Allstate Sugar Bowl on New Year's Day.

Mayor Kelley noted that at last meeting they had contributed \$500 to them.

Commissioner Boehm stated that he had received the email that day and noted that perhaps she did not realize they had already contributed.

Mayor Kelley stated that he had received multiple emails from different boosters; whereby, other Commissioners noted that they had, as well.

Health Insurance

Commissioner Stowers thanked Commissioner Kent for speaking about the health insurance and echoed his comments. He noted that he had spoken with the city's Human Resources Director before the meeting this evening. He stated that it was public record what each member of the Commission made and noted that he made \$230 every two weeks. He stated that on his last paycheck he received \$157. He noted that percentage wise that was a huge decrease. He explained that it would be a bigger deduction for someone making more working for the city. He stated that he would try and speak with Ms. Shanahan and see if there was any creative resolution. He noted that the increase was a big deal.

State of the City

Commissioner Stowers stated that he was always blown away by the crowd at the State of the City event. He noted that he appreciated that the event was held in Ormond Beach at the Oceanside Country Club. He stated that there was a level of exclusivity to it when the event always sold out.

Healthcare

Mayor Kelley stated that he understood Commissioner Kent and Commissioner Stowers' concerns with the healthcare. He stated that this was just the tip of the iceberg as in 2017 the city would be assessed 40% on top of that premium because of the Affordable Care Act. He noted that last year less than 100 people met the threshold of the deductible.

Ms. Shanahan stated that she believed there were a total of 75 people who met the deductible and of that 56 hit the out-of-pocket maximum. She explained that the unfortunate thing was that the minimum premium level for access to health care had increased.

Mayor Kelley explained that he thought the difference would be made up by the health savings account. He noted that this account would belong to the employee forever. He stated that the timing was unfortunate, and he thought that the next year people would be better off with what they had under the new plan.

Family

Mayor Kelley stated that he was sorry to miss Ormond Beach Main Street's meeting the previous evening. He explained that his daughter coached soccer at Sunridge Middle School in Winter Garden, and she had a soccer game last night which her team won to advance to the semi-finals. He noted that he was debating whether to miss the CFOB meeting or attend that game to support her. He stated that the middle school had great soccer and recreational facilities.

Veterans Visit

Mayor Kelley stated that on October 29, 2015, a group of visiting veterans would visit the Ormond Memorial Art Museum at 5:30 p.m. He invited members of the Commission to join him in entertaining the veterans.

State of the City

Mayor Kelley stated that Ms. Shanahan did a wonderful job with the State of the City. He noted that he would have liked to have previewed it, as well, but it was neat to see it for the first time without previewing it.

Item #13 – Adjournment

The meeting was adjourned at 7:38 p.m.

APPROVED: November 2, 2015

BY:

Ed Kelley, Mayor

ATTEST:

J. Scott McKee, City Clerk
