Ormond Beach, Florida**

I. Roll Call

The meeting was called to order at 7:04 p.m. Sam Hamilton, Bruce Manne, Skeeter Surguine and Joe Wisniewski were present. William Masters was not present. Staff member present was Steven Lichliter, Airport Manager.

II. Approval of Minutes

The January 8, 2018, minutes were unanimously approved as typed.

III. Noise Abatement

Mr. Lichliter indicated there were very few complaints. He advised the board that a citizen from Bear Creek called him a couple of times about morning flight activity. The flights were over the golf course, but from the perspective of Bear Creek it appeared to be closer. He knew who this was and addressed this situation. Mr. Lichliter stated that a lady from The Trails contacted him about helicopter noise, this was when there were more helicopter operations from Runway 35 in the south region of the airport. He explained that to the citizen and he hasn't heard from her since. They are back to a more normal routine of using Runway 8/26 and he doesn't think this will be an issue, it was just situational.

IV. Projects Updates

Mr. Lichliter stated that he would combine the CIP review with the project updates. Mr. Lichliter provided an update on the approach clearing project, which was not part of the CIP. He then reviewed the FY2018-2019 through FY2022-2023 Airport Capital Improvements Program with the board. The board asked various questions regarding the CIP.

Mr. Lichliter displayed various maps while providing the updates; the board asked questions on the different projects.

Mr. Wisniewski moved, and Mr. Surguine seconded, the motion to endorse the CIP as presented. The motion passed unanimously.
