Date	April 12, 2019

Greetings! We are pleased to be part of the 2019 initiative to update the Ormond Beach Community Redevelopment Area (CRA) Master Plan, focused along the Granada Blvd Corridor: Ormond's shared 'downtown'. The last time Ormond Beach completed a Master Plan update was 2006, and since then a number of things have been accomplished! Now is a great time to look at progress and where Ormond is heading so that new ideas can build upon success, creating an even better place. Members of our team participated in the 2006 plan and we are thrilled to be with you now.

Below is an agenda for our first community meeting about the Ormond Beach CRA Master Plan. Please feel free to participate in a relaxed, conversational setting. We will be prompt with your time. We look forward to working with you to frame the future of Ormond Beach's CRA.
