Subject	CRA 2019 Update: Issues and Opportunities w DSC
From:	Pete Sechler; May 8, 2019

As we progress with our discussions, we want to shift from the conversations about issues to specific ideas that will help us look toward the future. Please look at the attached sheet marked "Preliminary Input: Issues by Theme," which outlines the topics we've discussed and the survey results. Use that as your jumping off place for your own ideas, opportunities and solutions for the Ormond Beach CRA that we might include in the plan. Your ideas can be large or small, practical or blue sky, but should address one or more of the themes we have discussed.

We are providing the attached form for you to write down 5 of your top Ideas or opportunities for Action and *bring to the meeting*. When you arrive, staff will collect the forms and transcribe your thoughts to our voting sheets. After lunch, we will go around the room and ask each of you to present your ideas. Each committee member will have just 3 minutes to speak. When everyone has presented their ideas, we will open the floor for a few questions. After we all share thoughts, we will do a 'voting' exercise to get a preliminary sense of which ideas you would like to see prioritized.

Please come with ideas that you can speak on for ~3 minutes!
