

PROCLAMATION

WHEREAS, Ormond Beach is committed to recognizing that our growth and strength depends on the safety and economic value of the homes, buildings, and infrastructure that serve our citizens, both in everyday life and in times of natural disaster; and

WHEREAS, our confidence in the structural integrity of these buildings that make up our community is achieved through the devotion of vigilant guardians – building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers and others in the construction industry – who work year-round to ensure the safe construction of buildings; and

WHEREAS, these guardians are dedicated members of the International Code Council, a nonprofit that brings together local, state, and federal officials that are experts in the built environment to create and implement the highest-quality codes to protect us in the buildings where we live, learn, work, and play; and

WHEREAS, our nation benefits economically and technologically from using the International Codes that are developed by a national, voluntary consensus codes and standards developing organization, and our government is able to avoid the high cost and complexity of developing and maintaining these codes, which are the most widely adopted building safety and fire prevention codes in the world; and

WHEREAS, these modern building codes include safeguards to protect the public from natural disasters such as hurricanes, snowstorms, tornadoes, wildland fires, floods and earthquake; which, according to a FEMA-commissioned study by the National Institute of Building Sciences, provide \$11 in future mitigation benefits for every dollar invested; and

WHEREAS, Building Safety Month is sponsored by the International Code Council to remind the public about the critical role of our communities' largely unknown protectors of public safety – our local code officials – who assure us of safe, efficient and livable buildings that are essential to America's prosperity; and

WHEREAS, "Safer Buildings, Safer Communities, Safer World," the theme for Building Safety Month 2020, encourages all Americans to raise awareness about the importance of safe and resilient construction; fire prevention; disaster mitigation; and new technologies in the construction industry. Building Safety Month 2020 encourages appropriate steps everyone can take to ensure the safety of our built environment, and recognizes that the implementation of safety codes by local and state agencies has saved lives and protected homes and businesses; and

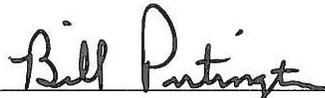

WHEREAS, each year, in observance of Building Safety Month, Americans are asked to consider the commitment to improve building safety and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local and state building departments, fire prevention bureaus and federal agencies in protecting lives and property.

NOW, THEREFORE, I, Bill Partington, Mayor of the City of Ormond Beach, do hereby proclaim May 2020, as

BUILDING SAFETY MONTH

in the City of Ormond Beach and encourage all residents to join with their communities in participation in Building Safety Month activities.

IN WITNESS WHEREOF, I have hereunto set my hand and cause the seal of the City of Ormond Beach, to be affixed this 1st day of May in the year of our Lord, Two Thousand Twenty.

BILL PARTINGTON
Mayor
