

For over 20 years the Ormond Beach Police Athletic League has been helping children and teens enhance their self-esteem and increase their self-confidence. OBPAL offers opportunities to increase positive relationships between youth and police officers through educational, athletic, recreational, and cultural programming partnerships with area schools and recreational facilities.

Over five hundred (500) children and teens ages 6 – 18 participate in our programs each year. Our programs include: boys basketball for 10U, 12U, 14U, girls basketball for 8th and 9th grades, Tutors R Us, Science on Patrol, Summer Reading, Summer Science, Summer Art, Summer Computers, and R.E.A.D., Reading, Exploration, Adventure and Discovery. Our teen youth program, the Youth Directors Council, organizes community service projects in Ormond Beach and is dedicated to serving our community and building future leaders. Each year we host an annual holiday party giving over 100 children gifts which for some may be the only new toy they receive for the season.

The Ormond Beach Police Athletic League (OBPAL) is hosting an opportunity for you and your business to help support educational, recreational, athletic and cultural programs for at-risk children and teens in the Ormond Beach community. On May 5, 2018 the Second Annual Donut Dash 5K will be held at the Trails Shopping Center.

We are currently looking for sponsors to support this family-oriented fundraiser. Sponsors of the event will be included on the back of our Donut Dash t-shirt. Sponsors may also set up a booth the day of the race to promote their company, products and services.

Sponsorships of all levels give needed funds for the Ormond Beach Police Athletic League to offer free educational, recreational, cultural and athletic opportunities for youth in the Ormond Beach community.
