Bill Partington  
Mayor

July 19, 2018

Dear Ormond Beach Resident:

Thank you for making the time to share your thoughts and ideas about our city's future and community development at The OB Life meeting a few weeks ago. It was outstanding to see so many residents and business owners at the meeting, with more than 250 people taking part. We take seriously the importance of involving residents in our City's planning and it is meaningful to know that you and others care enough to take part. All of the feedback from this meeting series will be presented to the City Commission as they update the City's strategic plan in 2019.

As promised, we want to share the outcomes of that meeting with you and our entire community. In addition, we want to ask you to mark your calendar for our next meeting on **Tuesday, July 24, from 6 to 8 p.m.**, at Calvary Christian Academy Kids Center, 1687 W. Granada Blvd. This meeting will focus on transportation and creating livable communities and we would sincerely appreciate your continued involvement.

We've created a portal on our website with all of the information from the June 28 meeting on Community Development. It includes:

- The results from the poll taken by participants during the meeting
- Written responses to all questions received
- A link to the videotaping of the meeting
- The OB Life Community Development Summary report (a written summary of the meeting by facilitator Rafael Montalvo, University of Central Florida)
- Information on the dates and topics for future meetings

You can access it all from our homepage at [www.ormondbeach.org](http://www.ormondbeach.org) and click on the banner at the top or The OB Life logo.

On behalf of our Ormond Beach City Commissioners and our City staff, please accept our heartfelt thanks for being an active part of our community. We look forward to seeing you on July 24.

Sincerely,

Bill Partington  
Mayor
