RE: Partial Turn Lane & Shoulder Closure of S Halifax Dr near E Granada Blvd

Beginning Wednesday, February 10, 2021, the eastern shoulder and on-street parking of S Halifax Dr near E Granada Blvd, next to the Ormond Beach Art Museum, will be closed. In addition, the right-hand turn lane on S Halifax Dr at E Granada Blvd will temporarily be reduced in length, the traffic pattern at the intersection will remain the same. This is to allow for construction of the Ormond Beach Art Museum Expansion. These daily closures are expected to continue throughout the duration of construction. During this closure, please carefully follow the traffic signs and markings. Once work is complete the shoulder and full turn lane will be reopened and normal usage will be permitted to resume.

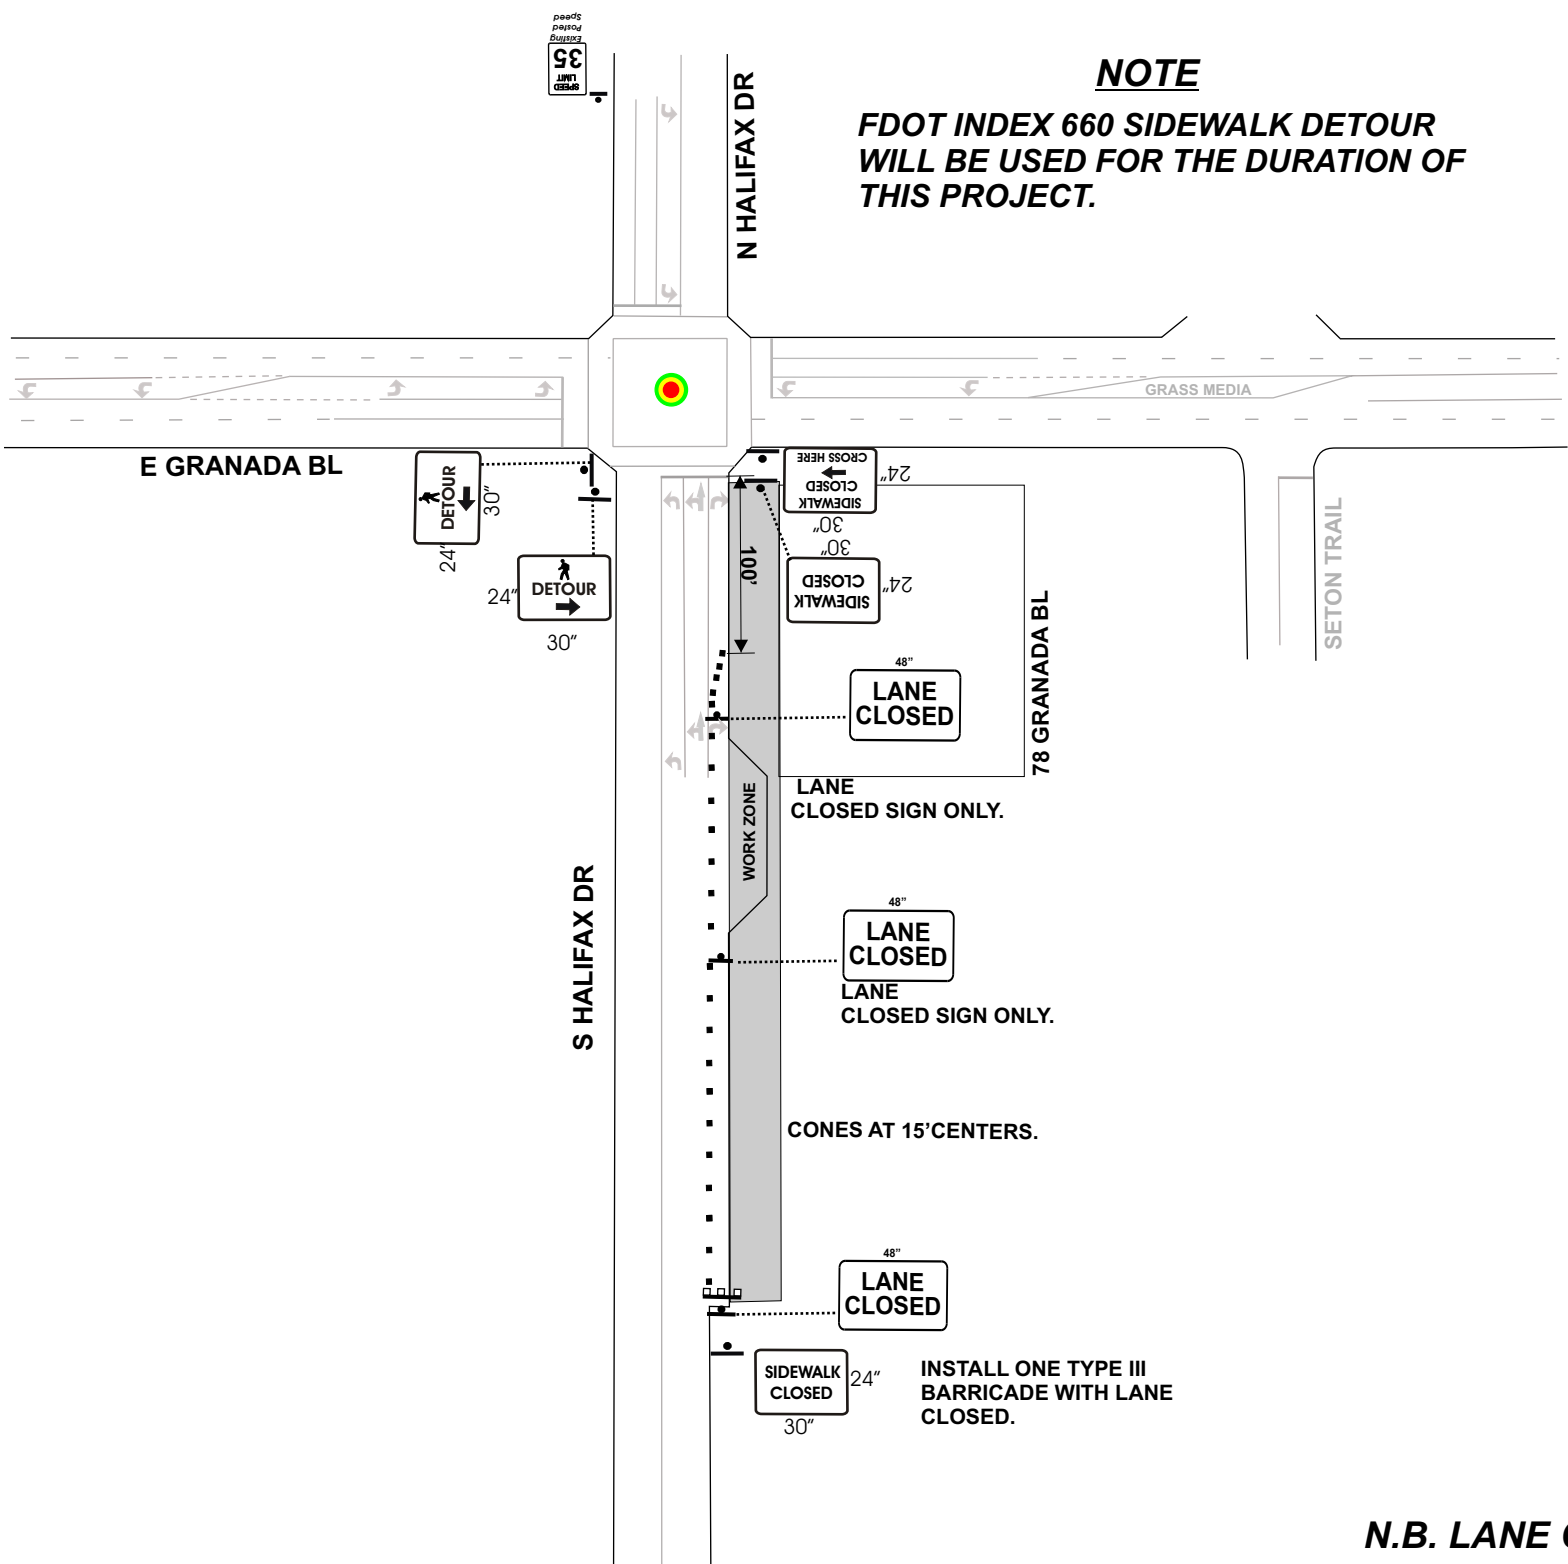

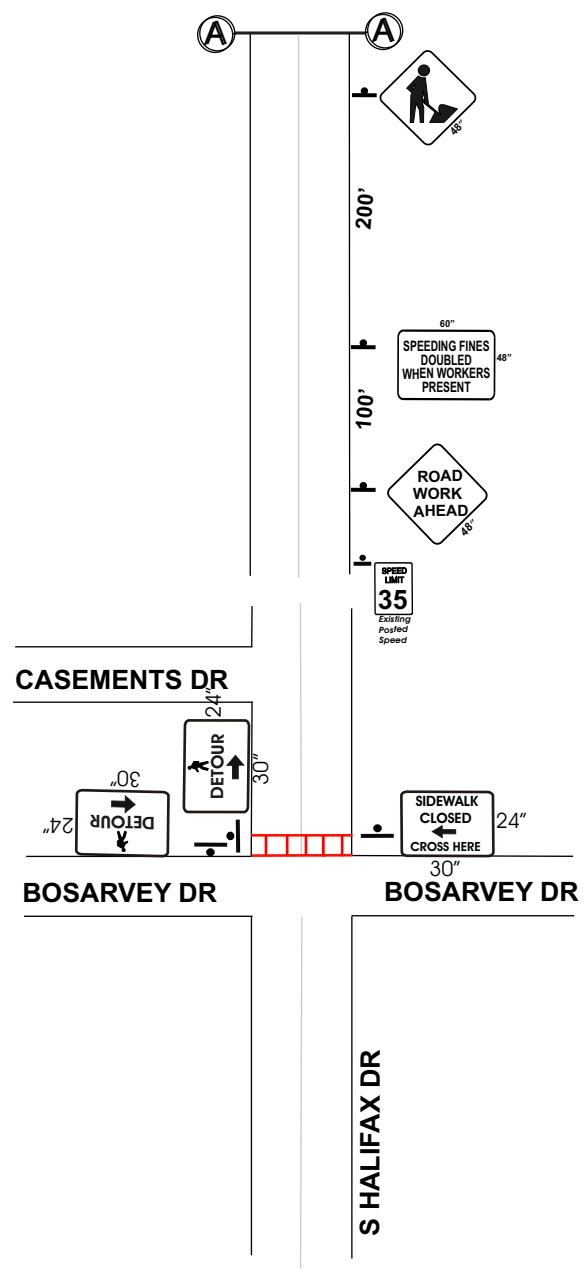

If you have any questions regarding this closure, please contact the City of Ormond Beach Engineering Department at 386-676-3269.
