RE: Road Closure of S Old Kings Rd

S Old Kings Rd will be closed to through traffic from March 13, 2023 to March 19, 2023. This is to allow for a developer to install necessary utility connections. During the road closure, traffic will be detoured using S Orchard St and Division Ave, please expect some minimal delays. Local residents affected by the closure will not be able to use S Old Kings Rd to access W Granada Blvd, please use Hammock Ln or Division Ave to join the detour route. The roads in the Reflection’s Village Gated Community are privately own and should not be used as a detour route. Once work is complete the road will be opened and traffic will be permitted to resume.

If you have any questions regarding this closure, please contact the City of Ormond Beach Engineering Division at 386-676-3269.
