THE CITIZEN POLICE ACADEMY

The Ormond Beach Police Department's Citizen Police Academy is a five-week course designed to give the Ormond Beach community an inside look at the duties of law enforcement officers. Through participation in lectures, demonstrations, tours and hands-on opportunities; citizens will gain valuable insight into the policies and procedures of the Ormond Beach Police Department.

Community involvement is the most powerful force any law enforcement agency has in the fight against crime. For the community to be effective, it is important that its citizens understand the challenges that the police officers face daily.

Participation in the Ormond Beach CPA program offers citizens the opportunity to explore the different aspects of law enforcement in a series of weekly educational sessions. By participating in the CPA program citizens gain relations and a better sense of trust between citizens and the police.
